

8. Johnny Appleseed

Listen first. Then write from memory. Relisten if you need to.

Name _____ Date _____

Words to know

nursery · frontier · cider · grafting

On the back, write each word in your own sentence.

Three questions

1. What was Johnny Appleseed's real name, and what was his job?

2. Why were most of Chapman's apples used for hard cider, not for eating?

3. Name two states where Chapman planted nurseries, and where he died.

Three facts to remember

1. Johnny Appleseed was John Chapman, a nurseryman who planted trees ahead of settlers.
2. Most of his seed-grown apples were tart and went into hard cider, a fermented drink.
3. He was Swedenborgian and shared church writings while traveling PA, Ohio, and Indiana.

I heard this

One sentence I can say at the table tonight:
